

HP Elite x2 1011 Backlit Power Keyboard

Complete your tablet solution

Enhance the connectivity of your HP Elite x2 1011 G1 Tablet by connecting it to the full-featured, sturdy HP Elite x2 1011 Power Keyboard with access ports and expansive port replication that converts your tablet to a full notebook and desktop experience.

Notebook connectivity

Get a true notebook experience from a full-sized keyboard with a touchpad, two USB 3.0 ports, combo audio port, docking connector for dongle support, Smart Card Reader, and DisplayPort. Boost your productivity with an integrated battery.

Enable a desktop experience

For even more productivity and a complete desktop experience, dock the tablet and keyboard in an optional HP Advanced Wireless Dock to get additional ports and keep your peripherals at the ready.

Built to last

Help resist wear and tear with the durakey keyboard, spill resistance, and a sturdy metal hinge that supports the weight of the tablet and enables multiple viewing angles.

Easy to use

Simply snap your tablet into the keyboard for full-sized notebook productivity, and easily detach it by pressing down the release button on the keyboard.

Award-winning support

Rest easy with a one-year limited warranty.
